UMCDF Update

- Preparations continue for processing 4 GB ton containers.
- Sampling of potentially "gelled" rockets complete; all are drainable.
- DFS agent trial burn results - all emissions below regulated limits.
- LIC 1 agent trial burn results - all emissions below regulated limits.
- Processed MC-1 test bombs for GB bomb campaign.
- UMCDF - 1.3 million work hours without a lost workday.

Fairgoers take time to step into the shade and learn about the Umatilla Chemical Depot at the Umatilla County Fair, Aug. 10. The booth, staffed by employees from the Outreach Office, Washington Group International and the Depot, contained information about the Depot and disposal facility. Next week, the booth and display trailer will be at the Benton-Franklin County Fair in Pasco, Wash.
